DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Wegman.

The application has been amended as follows:

Claims 29-33 and 44-68 have been cancelled.

Claim 3, line 31, "the product" has been changed to -- the ordered product --.

Claim 3, line 35, "produces" has been changed to -- products --.

Claim 34, line 24, "the commodity" has been changed to -- the ordered commodity --.

Claim 39, line 23, "the commodity" has been changed to -- the ordered commodity --.

Claim 40, line 23, "the commodity" has been changed to -- the ordered commodity --.

Allowable Subject Matter

Claims 3-28, 34, 35, 37-41, 43, 69 and 70 are allowed.

The following is an examiner's statement of reasons for allowance:

The independent claims recite specific limitations to define a system where products are displayed. Matsuzaki et al. shows the closest prior art with a graphical means for displaying products and product options. However, the claim language includes two features which distinguish the invention from the prior art. These features are having a different mechanism for showing the customer potential product malfunctions and linking the claimed invention to the tool and machine part industry. Trying to modify Matsuzaki to meet these limitations would destroy the Matsuzaki reference.

The April 6th, 1998 Business Wire article shows an NPL reference of interest.

The Ito reference shows a foreign reference of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to MICHAEL CUFF at telephone number (571)272-6778.
